

You will no longer get a driving test report (DL25) at the end of your practical driving test as DVSA examiners will mark your test results electronically using a tablet and email you the report however, the examiner will still tell you the result of the test at the end of the practical driving test if you have been successful or unsuccessful.

Total		S	D	Total		S	D	Total		S	D	
1a Eyesight				13 Move off	safety			23 Positioning	normal driving			
1b H/Code / Safety					control				line discipline
